

What a bright idea!

TRY THIS WITH YOUR CHILD:

Accidents and Illness

Collect newspaper articles about accidents and illness. Paste them in a notebook. Underline or highlight the part of the article that mentions illness or injury. Discuss whether these could have been prevented and how. Decide which causes more damage: accidents or illness.

Standards Link: Health: Students know injury prevention strategies.

There's a world of fun & learning in the newspaper every day! Visit our Bright Ideas Lesson Library for hundreds of math, science, social science and language arts activities using the newspaper.
