

What a bright idea!

TRY THIS WITH YOUR CHILD:

Newspaper Graph

Find articles about science subjects. Make a graph showing the different kinds of science related to news articles. Include the following: Life Science, Chemistry, Earth Science, Astronomy and Computer Science.

Standards Link: Data Analysis: Summarize and display results in a clear and organized way.

There's a world of fun & learning in the newspaper every day! Visit our Bright Ideas Lesson Library for hundreds of math, science, social science and language arts activities using the newspaper.
